PARTNER'S LIFESTYLE

This questionnaire is for the mother's partner, whether or not the father of the child. It is also for the father who is bringing up the child on his own.

Some questions are the same as those you have answered before. This is so that we can tell what changes have happened to you. Others are new - we hope you will enjoy them. To answer simply tick the box which is most accurate in your opinion.

Please answer all questions if you can, even if they are similar. If you do not want to answer a question or if it does not apply to you, put a line through it. There are no good or bad answers. Just tell us what you really think.

All answers are confidential

THANK YOU FOR YOUR HELP
