## FATHER AND THE FAMILY

This questionnaire allows us to catch up with your current circumstances, health, diet and lifestyle.

It is for the study child's father or person who takes the role of father. This could be the mother's husband or partner.

If this is relevant to more than one person, it should be the one who is most involved with the study child.

We are very grateful to you for helping us in this way.

**THANK YOU SO MUCH**

**General instruction for completing this booklet:**
