All answers are confidential

THANK YOU FOR YOUR HELP

17/08/98

This questionnaire is for the study child's mother or person taking the role of mother.

To answer simply tick the box which is most accurate in your opinion.

Some questions are the same as those you have answered before. This is so that we can tell what changes have happened to you.

Please answer all questions that you can. If you do not want to answer a question or if it does not apply to you, put a line through it. There are no good or bad answers. Just tell us what you really think.
