This questionnaire is for the study child's mother or the person taking the role of the mother.

11/04/03

This questionnaire is for the study child's mother or person taking the role of mother. To answer simply tick the box which is most accurate in your opinion.

Changes are occurring around our study children all the time, both in the family and in life outside. Some questions we ask in this questionnaire are the same as those you have answered before. This is so that we can tell what changes there may be in your health and lifestyle.

If you do not want to answer a question or if it does not apply to you, put a line through it. There are no good or bad answers. Just tell us what is true for you.

ALL ANSWERS ARE CONFIDENTIAL

Thank you for your help
