

MY SCHOOL BOY

This questionnaire asks about your study child.

It is like the other questionnaires you have received. To answer simply tick the box which best describes your child or your child's situation. Please answer all questions that you can. If you cannot answer certain questions or if they do not apply to you please put a line through them. There are no right or wrong answers. Please just describe what happens in your situation. You may make additional comments at the end. All answers are confidential.

THANK YOU FOR YOUR HELP
